

THE DEPARTMENT OF PEDIATRICS N2

PROFESSOR EKATERINE UBER
HEAD OF DEPARTMENT

NUGZAR UBER
EMERITUS

The department of Pediatrics N2 develops undergraduate educational programs in Pediatrics at the Faculty of Medicine. Modules “Developmental and Behavioral Pediatrics”, “Outpatient and Preventive Medicine” and “Pediatric Patient Management at Hospitals” are implemented at the Pediatrics residency educational program.

Prof. Nugzar Uberi is the Head of the department and General Secretary of the Georgian Pediatric Association. Neonatology, pediatric pulmonology, gastroenterology and allergic diseases are fields the Professor has been working on for years
