ASSISTANT PROFESSOR

DEPARTMENT OF ANESTHESIOLOGY, REANIMATOLOGY AND TOXICOLOGY

The Department of Anesthesiology and Reanimatology was founded in 1973 by Professor Shota Machavariani. Professor headed the department until 1988. In 1988-2016 the head of the department was Zurab Kheladze. In 2016 Reanimatology and Critical Care Medicine was included as an independent direction within the Department of Surgery. In 2009 the department was transformed into the Department of Critical Care Medicine covering two directions: Reanimatology and Toxicology. Nowadays the department is included into the Direction of Surgery, Anesthesiology and Reanimatology.
